TEMPLATES/SIGNUP.HTML LINE-BY-LINE EXPLANATION

signup.html renders the phone signup form and optional Google sign-in link.

TEMPLATE SETUP

Line 1: extends base.html.

Line 3: sets the Sign Up page title.

Line 5: starts the content block.

SIGNUP FORM

Lines 6-10: open the auth layout and show signup heading text.

Lines 11-22: POST form with next URL, full name, phone number, and Verify phone button.

Line 24: visual divider between phone signup and Google sign-in.

GOOGLE AND LOGIN LINK

Lines 26-30: show Continue with Google when OAuth is enabled, otherwise show a configuration note.

Lines 32-35: link existing users to login while preserving next_url.

Lines 36-39: close the auth panel, visual, section, and content block.
